- Claims 1-12, and 14-21 have been canceled.
- Claim 13 is allowed.

Response to Arguments

Applicant's arguments, see page 3, filed 10/17/06, with respect to claim 13 have been fully considered and are persuasive. The prior art rejection of claim 13 under 103(a) has been withdrawn.

Allowable Subject Matter

- Claim 13 is allowed; renumbered as claim 1.

The following is an examiner's statement of reasons for allowance: As have been indicated on the Interview Summary dated 10/5/06, wherein the Examiner stated the cited prior arts of fail to teach and/or suggest "memory space comprising a first area and a second area separate from the first area, the initial use date being stored in the second area and an indicator being stored in the first area that indicates whether or not an initial date has been stored in the second area, said determining step examining the contents of the first area and not the second area and in combinations of other features" as cited in independent claim 13 (renumbered as claim 1).
